## **WORK EXPERIENCE**

### **Photographer, Videographer, Video Editor 2023 to Present**

Freelance - Merritt Island, FL

- Live event recording of two student teams at the regional, state and world level of a creative competition known as Odyssey of the Mind. Anti-littering public service announcement video filmed in black and white on a local beach and boardwalk.

### **Photographer & Video Editor April 2021 to May 2022**

Seed of Abraham Fellowship Ministries - Merritt Island, FL

- Photographed and edited all product ads for TV broadcast, social media and website marketplace media with a worldwide audience.
- Recorded and edited weekly 45-minute video lessons of a bible study series with 786+ videos.
- Assisted in all stages of production for the yearly hotel conference covering a three-day program of speakers, live music and study sessions. Recorded speaker and guest interviews, B-roll and setup / breakdown video. Edited multiple clips, graphics, audio and music tracks into several promotional videos for television, social media and web platforms.

### **Videographer, Video Editor**

Getaboard Foundation - Cocoa Beach, FL  
2020 to 2021

- My first internship I recorded live action surfing and interviews in the field using professional video cameras and audio equipment. Production took place outdoors on a beach near the ocean with cast and crew exposed to sun, sand, wind and water in various forms. Field interviews were recorded in a tent canopy. The second internship I edited online interviews featuring sport athletes and artists.

### **Video Production Specialist 2020 to 2020**

Brevard Broadcasting Network - Merritt Island, FL

- Created a production schedule for Brevard Broadcasting Network, an independent television and video production studio. Assisted the director with optimal placement of studio cameras, teleprompters, grid lighting, boom microphone stand and interview mics for talent. Produced video recordings of host and guest in studio, using green screen backgrounds when desired. Directed fellow camera operators on ideal shot

framing, camera movement and composition of subject and background elements. Assembled the footage into finished videos with studio created graphics ready for online distribution.

### **Transcription Supervisor 2016 to 2020**

Advisor Products - Jericho, NY

- Transcribed 60-minute monthly financial webinars presented by CPAs for a paid subscription audience. Copy edited personal client columns and financial articles. Assistant editor for a weekly financial market update newsletter.
- Supervised transcription employees and maintained high standards of accuracy and quality.
- Responsible for transcription deliverables using multiple file formats, primarily Microsoft Word, PowerPoint and Outlook. Coordinated and assisted with team members to achieve client satisfaction and overall company goals.

### **Videographer, Video Editor 2020 to 2021**

Getaboard Foundation - Cocoa Beach, FL

- My first internship I recorded live action surfing and interviews in the field using professional video cameras and audio equipment. Production took place outdoors on a beach near the ocean with cast and crew exposed to sun, sand, wind and water in various forms. Field interviews were recorded in a tent canopy. The second internship I edited online interviews featuring sport athletes and artists.

### **Director, Editor September 2015 to December 2015**

Robo-Bear Productions - San Mateo, CA

Created, directed and produced the short film Robo-Bear! about campers in the woods being attacked by a robotic bear.

## **EDUCATION**

- The Art Institute of California, San Francisco, CA 2011-2011  
Digital Filmmaking and Video Production, B.S. with Honors
- Eastern Florida State College, Cocoa, FL 2019-2021  
TV Studio Production Certificate Program

## **HONORS**
